

Welcome to the Sysco Source Mobile App

- ❖ Your Message Board can contain communication from Sysco or your head office. For example, Sysco can post sales information, delivery date or time changes, or company announcements.
- ❖ Start a new order or view orders not yet submitted or not yet delivered.
- ❖ View your previous invoices.
- ❖ Search the Sysco Catalog or your ordering history.
- ❖ Switch customers if you have access to multiple customer accounts.
- ❖ Set-up & manage your Inventory, Prepare Inventory Counts and view Previous Inventory Counts.
- ❖ Run Inventory Count reports & Cost of Goods Purchased Reports.
- ❖ Manage your Source Mobile app settings.
